## Gold Member: - 5 lakh

This is only for one person and no specific room no is mentioned.

The entire payment can be made in two instalments, within 1 year from the first payment.

You will have the opportunity to book the room for 45 days free of charge, every 2 years, during the Gour Purnima festival.

During other times, the room can be booked for a maximum of 45 days per year, free of charge.

Each stay must not exceed 3 weeks. (Remaining 3 days will be added to the second stay.)

In the event of a member's passing, as stated in the membership form, the membership will be transferred to the spouse. The spouse will continue to hold the membership until their own demise. Upon the passing of both members, the room will be returned to the community.

Once the agreement is completed, the member's name will be non-changeable and cannot be altered.

This membership remains valid only throughout the member's lifetime. Upon the member's passing, the room will either revert back to the community/society or an extension option may be applicable in accordance with the community's rules and regulations.

Members are required to provide a minimum maintenance contribution every year to ensure the upkeep and maintenance of the room.

During periods when the member is not using or has not booked the room, the community may allocate the room to other members for their use. It is expected that members will comply with this arrangement and not raise complaints regarding the temporary reassignment of the room. This flexible utilization of rooms allows for optimal accommodation arrangements and ensures that all members have the opportunity to benefit from the available spaces.

Upon the completion of the initial free 45-day period, members have the option to extend their booking or rent the room with an appropriate discount and additional facilities. This allows members to continue their stay with added convenience and benefits.

Following the initial free 45-day period, members have the opportunity to rent the room at a discounted rate of up to 50%.

Personal and valuable furniture is not permitted to be kept in the room.

Rooms can be booked by members or members can visit at any time; however, it is necessary to inform the management at least 10 days prior to the intended arrival. This prior notice allows the management to make the necessary arrangements and ensure that a suitable room is available to accommodate the member's stay.

In the event that the booked room is undergoing construction, repairs, or experiencing any other issues, the authority will promptly provide the member with an alternative room for the duration of the inconvenience.

A common kitchen will be provided for all members to utilize.

Additional services and facilities beyond the standard offerings will be available, but please note that charges will apply. However, these additional services and facilities will be offered at the maximum discounted rate, ensuring affordability and convenience for members.

In the event of sudden confinement imposed by governmental authorities at any time, all members can discuss their situation with the authorities. The authorities will then try their best to make arrangements to provide a designated place to stay and arrange for food during the period.

It is important to note that once the first instalment payment is made in accordance with the agreement, no refunds can be applied for or processed under any circumstances, even in the event of agreement cancellation.

After the first instalment is paid, the member will receive a copy of the receipt as proof of the advance payment.

Before depositing the second instalment, it is possible to request a change of the member's name in the agreement.

After depositing the second instalment, if the agreement is cancelled within 15 days, you will be eligible to receive a refund of 20% of the second instalment amount.

After making the full payment, it is necessary to complete the documentation work and sign the relevant documents within 15 days. This process is crucial for obtaining the membership card, which grants access to the designated benefits and privileges associated with the membership.

After finishing your final payment, you will get a final agreement certificate and member card. Prior to the final payment and issuance of the member card, members can still avail rooms at a discounted price for their stay.
